Ahmed Fine Textile Ltd

Eco-Friendly & Sustainable Products

Who We are

Fazal Group is one of Pakistan's oldest and largest textile conglomerates, renowned for its legacy of excellence and innovation in the textile industry. With decades of experience, we operate across the complete value chain—ranging from **cotton ginning and yarn spinning to greige woven fabric manufacturing and premium towel production.**

Driven by quality, sustainability, and customer satisfaction, we continue to set benchmarks in textile manufacturing while contributing to Pakistan's economic growth and global textile leadership.

Why Choose Us

Legacy of Trust – With decades of experience, Fazal Group has built a reputation as one of the most reliable names in Pakistan's textile industry.

End-to-End Expertise – From cotton ginning to yarn, fabrics, and towels, our integrated operations ensure consistency, quality, and efficiency.

Uncompromising Quality – We adhere to strict quality standards and international certifications to meet the demands of global markets.

Innovation & Sustainability – By investing in modern technology and eco-friendly practices, we deliver products that are both innovative and responsible.

Customer-Centric Approach – Our business thrives on long-term partnerships, timely deliveries, and customized solutions for every client.

THE AFTML TOWEL

Dobby & Jacquard Towel Collection-Dyed Bath Series Featuring Special Fiber Yarns

Specialty Towels

Dobby & Jacquard Yarn-Dyed Towel – Featuring vibrant color melodies.

Special Finished Towel – Enhanced for **skin-friendliness, anti-bacterial protection, long-lasting fragrance, extra softness, and durability.**

Beach Towel – Designed with joyful summer vibes.

Open End Dobby Towel

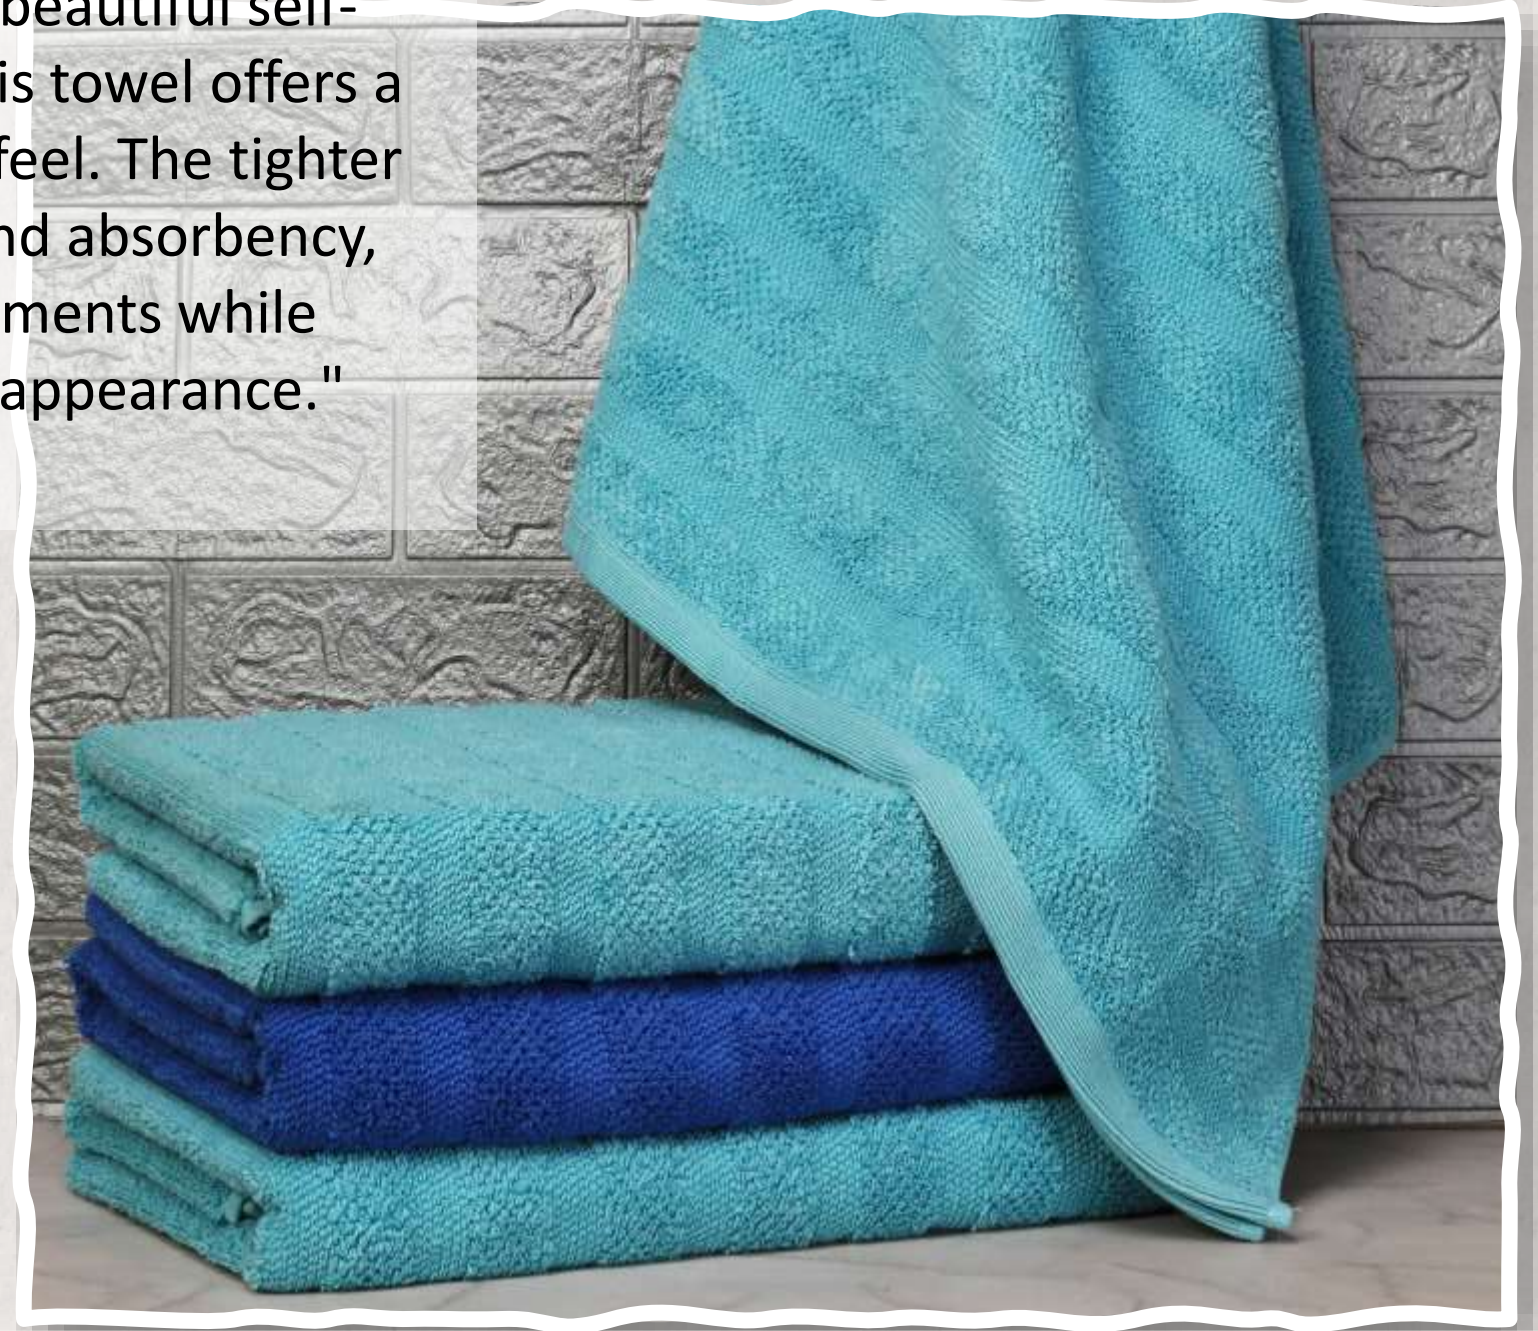

Classic Weave. Everyday Comfort

Woven using 12/s open-end yarns and finished with a dobby border, this towel combines functional durability with traditional elegance. Its structured feel, fast-drying quality, and cost-efficiency make it ideal for hospitality, gym, and daily use environments.

Ring Spun Dobby Texture Towel Enhanced Texture. Superior Strength

"Crafted from fine 12/s and 60/s ring-spun yarns twisted together and finished with a beautiful self-designed texture and dobby border, this towel offers a crisp, defined texture and a soft hand-feel. The tighter yarn twist enhances both durability and absorbency, making it ideal for high-use environments while maintaining a refined, sophisticated appearance."

Bamboo Towel

Diverse Group of Perennial Evergreen Plants

Crafted from 12/s bamboo fiber yarns, this towel offers natural softness with excellent moisture-wicking. Derived from fast-growing evergreen plants, bamboo towels are not only gentle on the skin—but also on the planet. A perfect choice for eco-conscious comfort.

Combed Towel

Smoother, Stronger

Woven with **12/s combed** cotton yarn, this towel delivers enhanced strength and a smoother finish. The combed fibers reduce pilling and improve durability, making it ideal for long-lasting daily use with a premium touch.

D O B B Y

T O W E L

Egyptian Towel

Lightweight & Breathable

Made with **12/s fine Egyptian** cotton yarn, this towel offers exceptional breathability and softness. Its lightweight structure makes it ideal for a quick-dry, everyday luxury experience—perfect for spa, home, or travel use.

Bamboo Viscose

Ultra Soft and Luxury Towels

Woven from **12/s bamboo viscose** yarns, this towel offers an ultra-soft, silk-like touch with exceptional absorbency. Naturally breathable and biodegradable, it brings an elegant blend of comfort and sustainability to your everyday rituals.

Zero Twist Towel

Softer, Plush Texture

Crafted using zero-twist **12/s yarn**, this towel offers an exceptionally soft, cloud-like feel. Its open-loop construction enhances absorbency while delivering a plush, luxurious texture—perfect for ultimate post-bath comfort.

Hemp Towel Sustainable Towel

Made from durable and naturally sustainable hemp fiber, this **12/s towel** offers a rustic yet soft hand-feel. Known for its strength and fast-drying properties, hemp towels are an eco-conscious choice—perfect for modern living with minimal environmental impact.

Naia™ Fiber Sustainable Cellulosic Fiber

Crafted from responsibly sourced wood pulp, the **12/s Naia™ fiber towel** blends softness, breathability, and sustainability. Its silky finish and lightweight feel offer eco-conscious luxury, ideal for both personal care and hospitality environments.

Pima

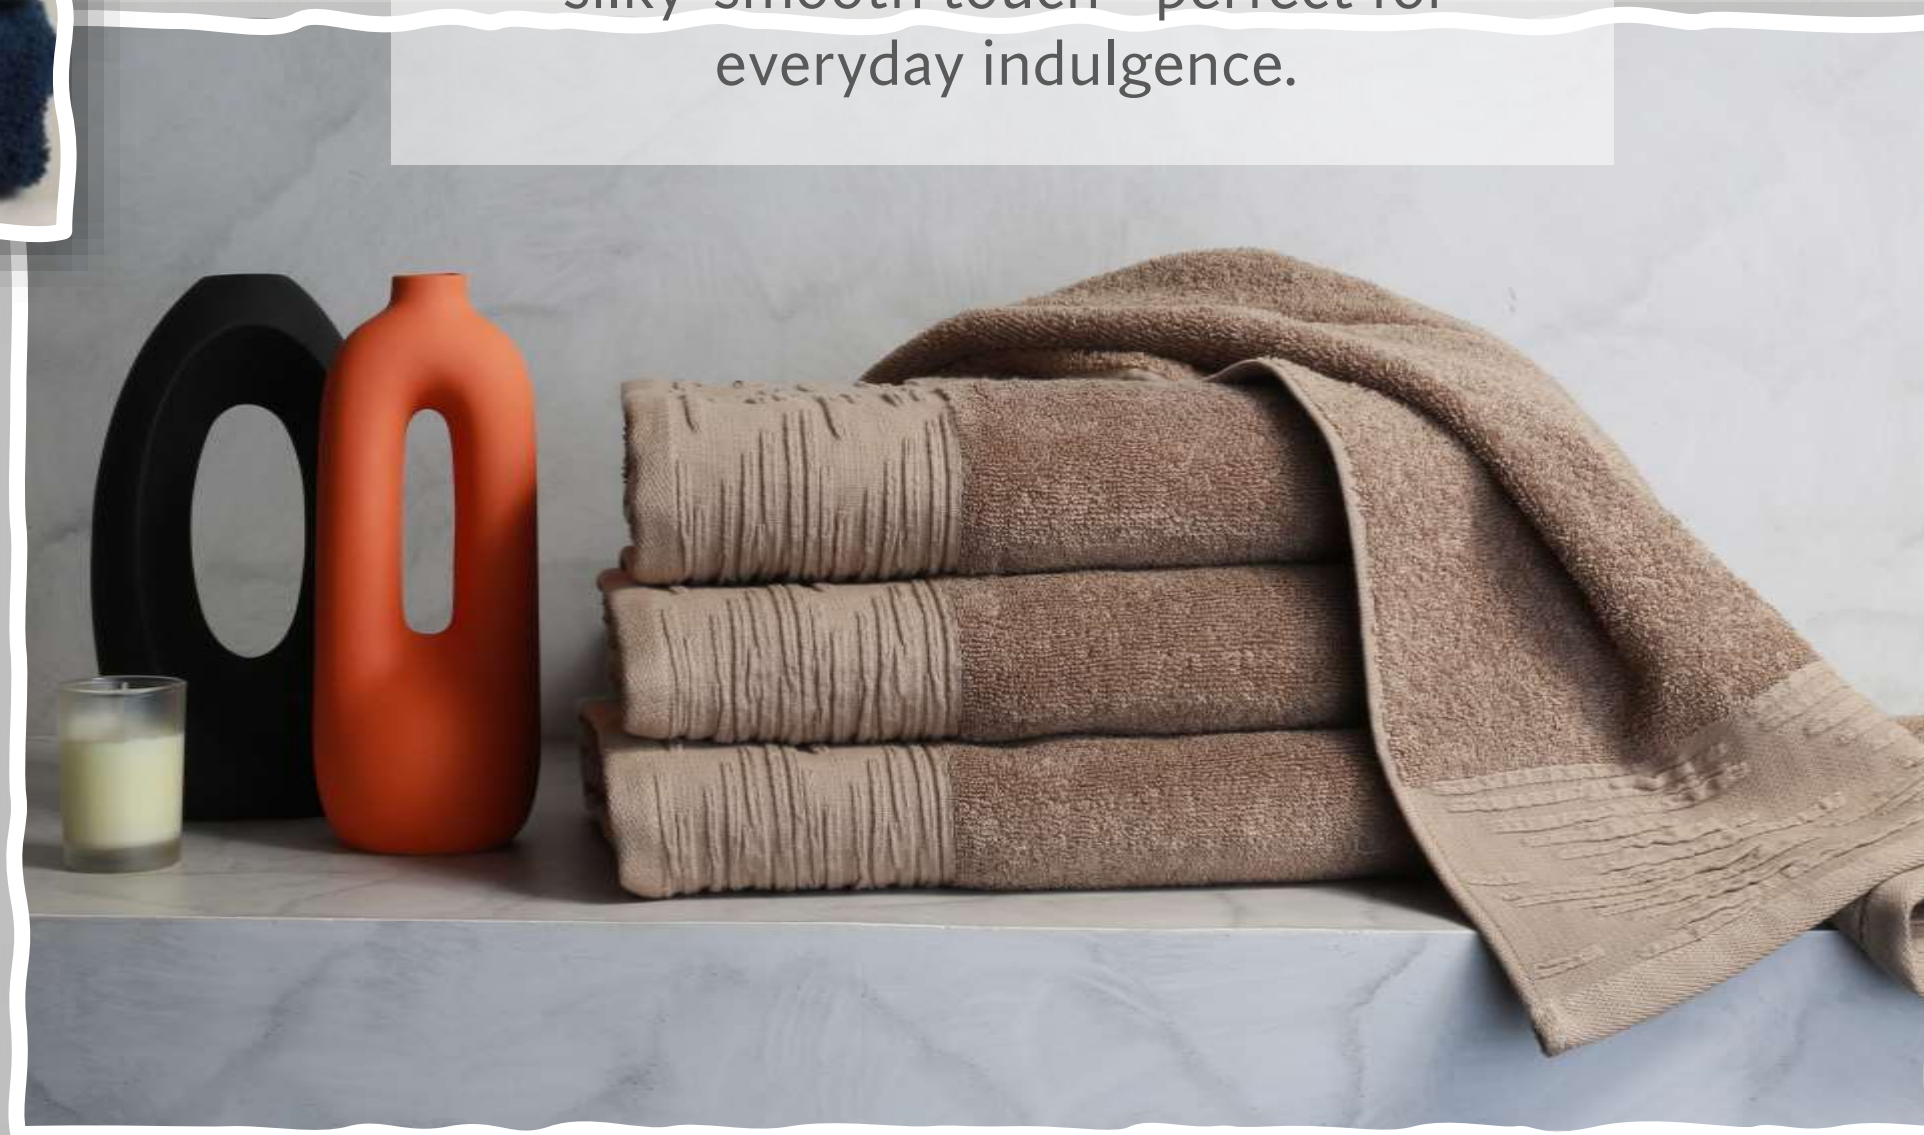

Unbelievably Versatile. Super Soft.

Crafted with **12/s yarn** for optimal absorbency and comfort, this Pima cotton towel blends durability with a silky-smooth touch—perfect for everyday indulgence.

Banana Fiber Towel

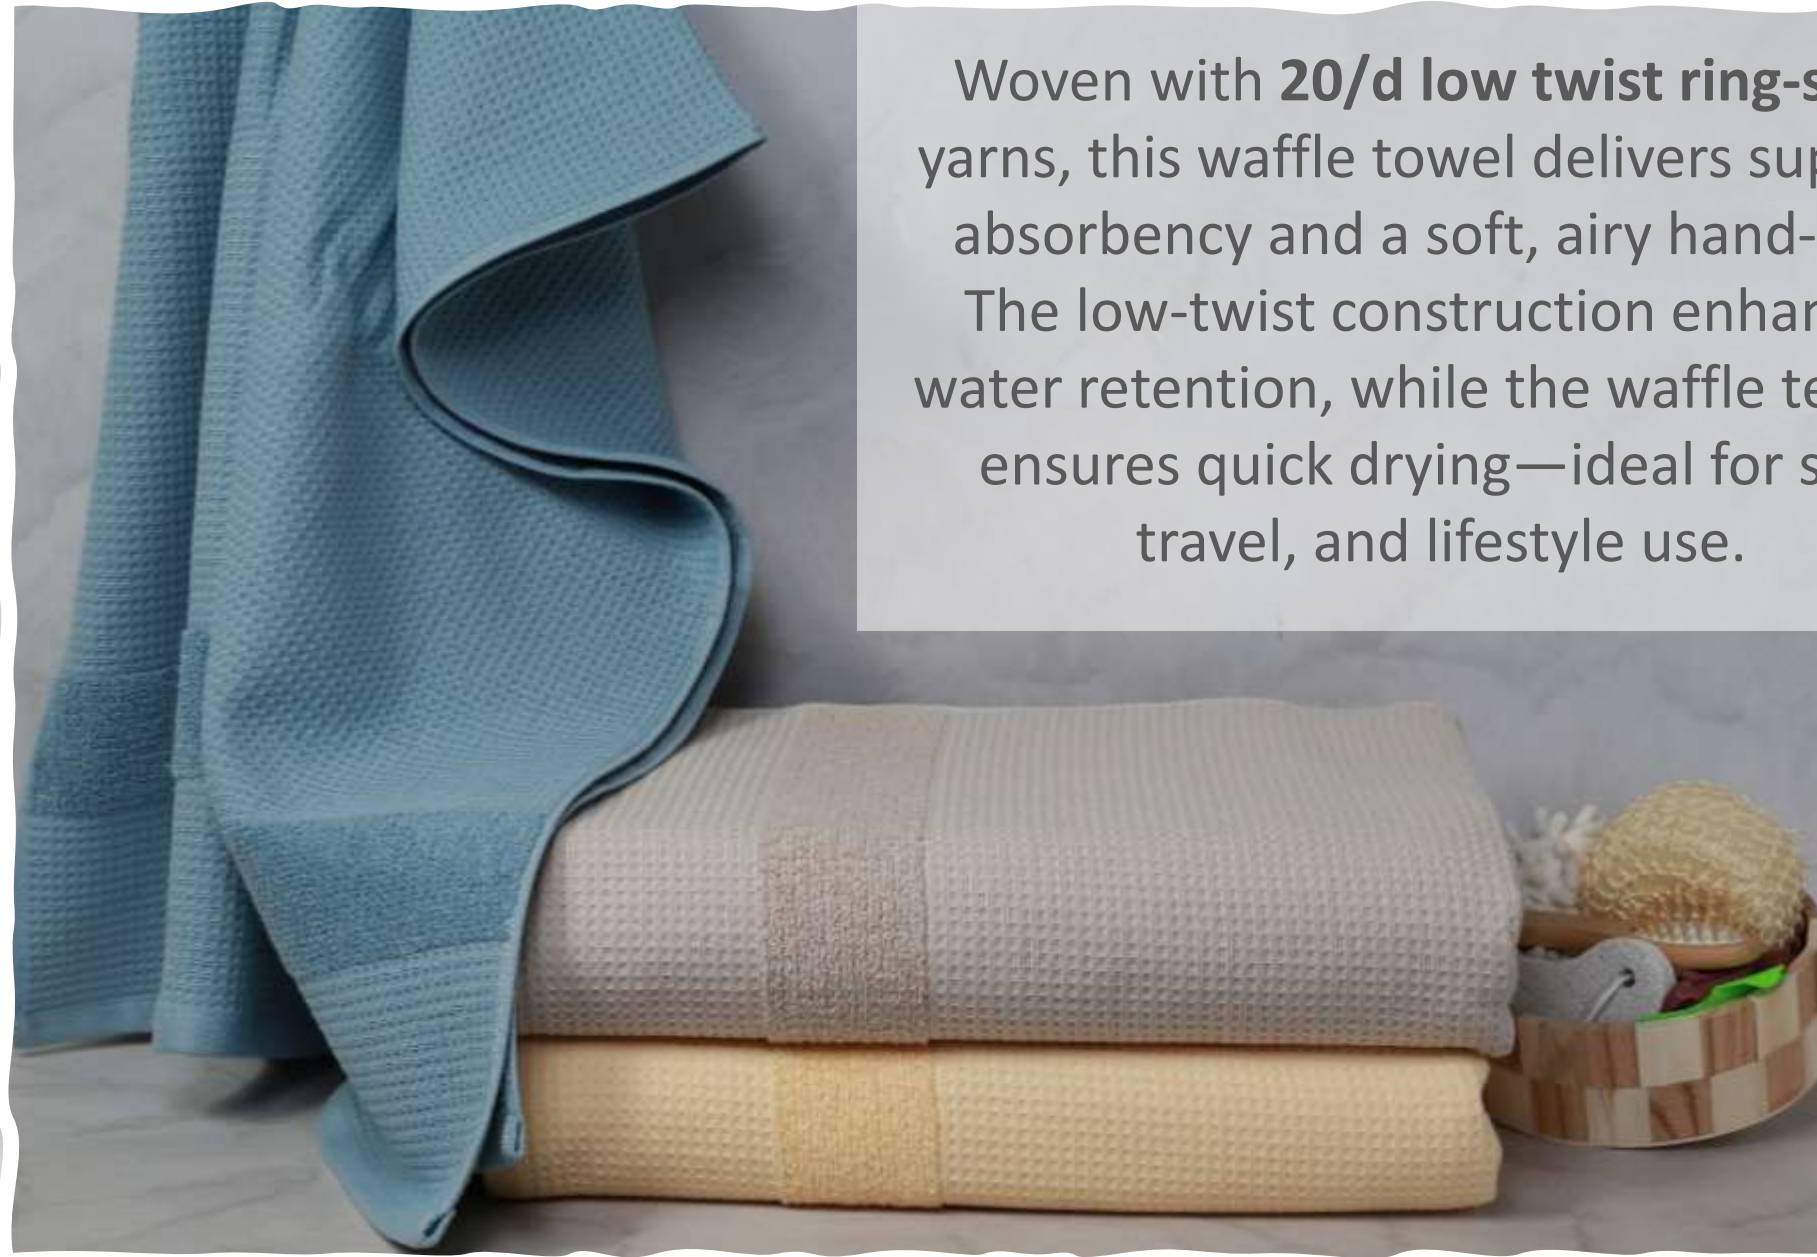

Sustainable, Incredibly Soft, Breathable

Woven with innovative **12/s banana fiber** yarns, this towel offers a rare balance of eco-sustainability, softness, and breathability. Made from agricultural waste, it's a naturally renewable option that feels luxurious against the skin—lightweight yet absorbent.

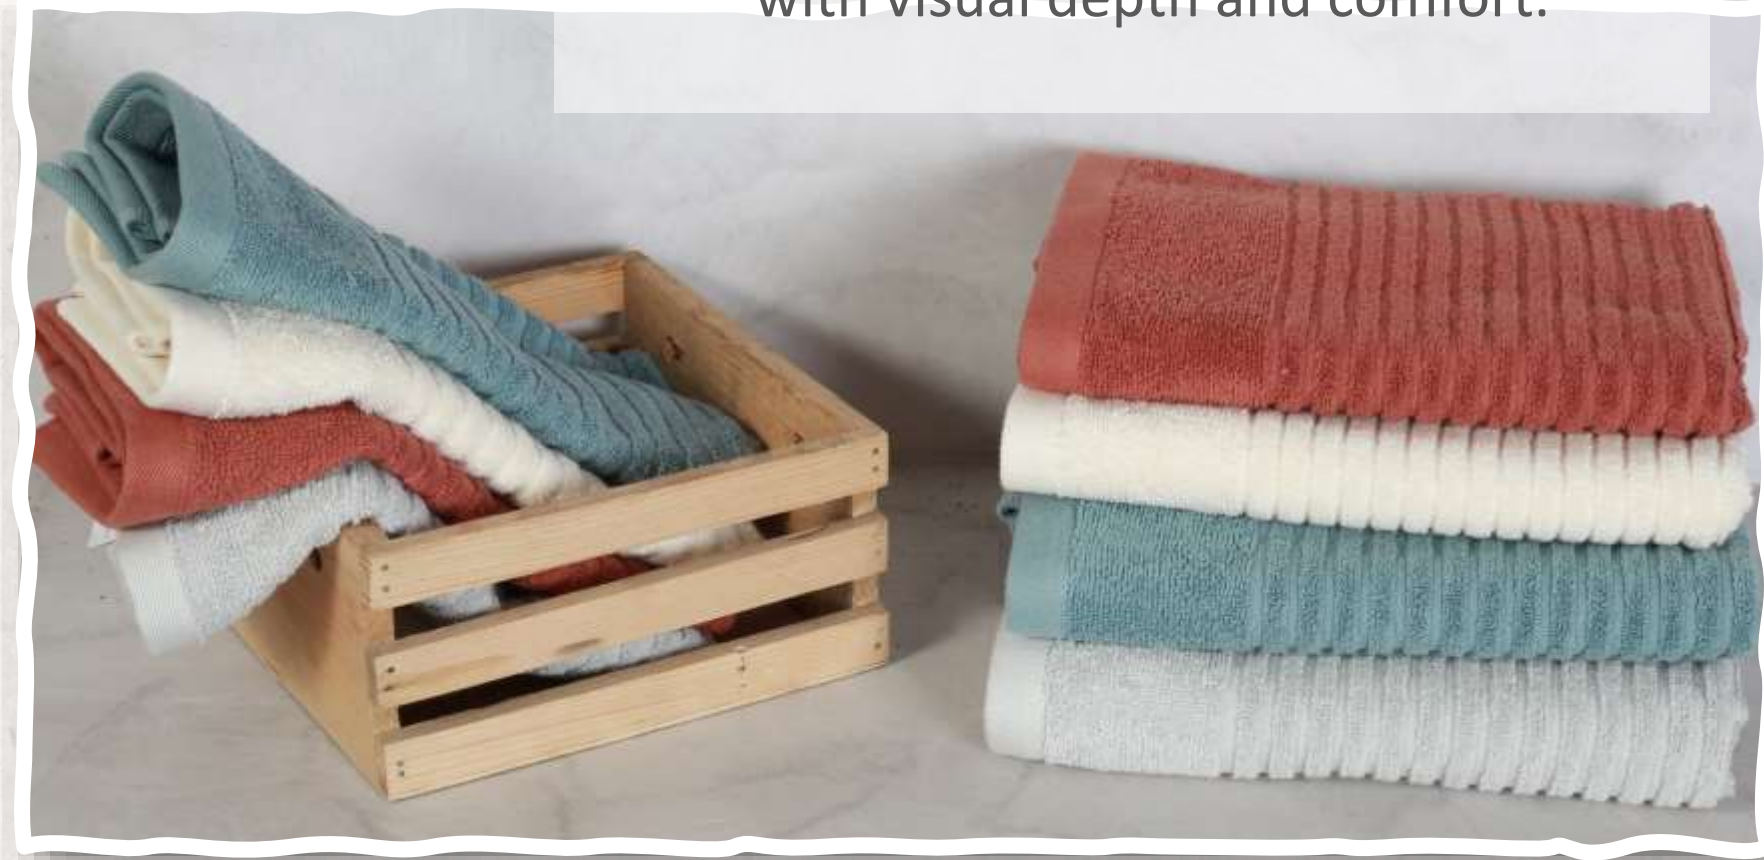

Ring Spun Double Ply-Low Twist Waffle Towel Absorbs Water Quickly

Woven with **20/d low twist ring-spun** yarns, this waffle towel delivers superior absorbency and a soft, airy hand-feel. The low-twist construction enhances water retention, while the waffle texture ensures quick drying—ideal for spa, travel, and lifestyle use.

Ring Spun Rib Textured Towel

Woven with **12/s ring-spun yarns** in a distinct ribbed pattern, this towel features elevated texture for a modern, tactile experience. The rib weave enhances absorbency while adding a stylish, structured design—perfect for premium bath collections with visual depth and comfort.
